Pay \$0 Until You've Hired

Save **time, money, hours**, and **resources** from trying to find qualified candidates, and work with a professional staffing agency with the reputation to match.

At Velocity Works, we're confident we will find you top talent quickly and efficiently. That's why we don't ask our customers to pay until they've hired, because we have a proven system for finding top industry professionals.

Our Staffing Process in 4 Easy Steps

1. Our lead recruiters review your technical requirements for the role
2. Velocity Works' will scout, recruit and interview only top qualified candidates, and ensure their competency by having them complete technical exercises
3. We send you the top candidate videos to watch at your leisure to select for a final interview
4. Hire the best fit technical professional that's right for you
